No. 398-D/36

Station Madras, *Dated the* 25th June 1936.

From (Name) L.B.Green Esq., M.B.E.,
(Designation) Ag. Director of Industries,

To The Secretary to the Government of Madras,
Development Department.

Sir,

(1)

In pursuance of G.O.No.1606 Ms. Development, dated 16th November 1935, the Head-Quarters of the Sericultural Expert were changed from Madras to Kollegal with effect from the forenoon of the 23rd May 1936 when Mr. K.T.Achaya, the Sericultural Expert returned from leave and joined duty at Kollegal. One of the main functions of the Sericultural Exper is to see that the village rearers use only tested disease-free layings for their rearings. With a view to facilitating the testing and distribution work, the Peripatetic Rearing Party consisting of one Rearer, one Silk Reeling Demonstrator, and 14 Moth Testers who are working under the supervision

of the Silk Superintendent, are stationed in the following villages of Kollegal Taluq.

1. Hosamalangi
2. Kajjihundi
3. Alahally
4. Kunthur
5. Uttumballi
6. Kunagally
7. Surapuram
8. Kempanpalayam
9. Uganiam
10. Ikkadalli
11. Singanallur
12. Kamakarai
13. Mangalam
14. Chennalinganahall
15. Kothanoor.

Most of these villages are situated within a radius of 15 miles from Kollegal and though there are reasonably good roads to some villages and cart tracks to many, there are no public conveyances to carry either passengers or goods. In one of these interior villages, namely, Thadaguni, the Government Silk Farm also is situated.

2. The four Government silk farms at Hosur, Palmaner, Coonoor and Thadaguni, and the Aided Farm at Vadakangulam and the Aided Grainage at Chilukvadi (Kollegal Taluq) supply regularly Disease-free-layings for distribution to Kollegal village rearers. The work of distribution should be done immediately in order to avoid hatching out after the receipt of the layings to the several moth testers stationed in the villages. This work as well as the distribution of pay and urgent tappals are done by the peons attached to the Sericulture section. The only speedy method of distribution to villages is by cycle peons and there is an urgent necessity for one cycle. I request, therefore, that the initial

Sanction.

To U.S.

Please see the Dcs letter in
Ref cf the necessity for the
possession of a cycle has been
explained by the Dcs in para 2 of
his letter in Ref cf. As the Disease
Cayings have to be ~~Dr~~ Inspected through cycle journey
Sericultural months testers stationed in the villages
the ~~2 Village Vearam~~ immediately on
to avoid hatching out
receipt of the cayings, it is
submitted, that the Dcs's proposal
to purchase a bicycle for the Office
of the Sericultural Expert, Kollegal may
be agreed to. A draft order is
submitted for approval
